

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Additional training resources can be found on the HUD.gov at https://www.hud.gov/program_offices/comm_planning/coc.
- Questions regarding the FY 2021 CoC Program Competition process must be submitted to CoCNOFO@hud.gov.
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile) must be submitted to e-snaps@hud.gov.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2021 Continuum of Care (CoC) Program Competition. For more information see FY 2021 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2021 CoC Program NOFO.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2019 Project Application will be imported into the FY 2021 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2021 CoC Program Competition NOFA.

Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the "Submit Without Changes" process.

In general, HUD expects a project's proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

Due to e-snaps limitations, only previously submitted renewal applications can import data into the FY 2021 renewal project application. The data from previously submitted new and renewal project applications can be imported into a FY 2021 renewal project application. The "Submit without Changes" process is not applicable for:

- first time renewing project applications
- a project application that did not import last FY 2019 information
- a project that had Issues or Conditions that were addressed in FY 2019 Post-Award and updates need to be reflected in the FY 2021 project application
- a project that had amendments approved in FY 2019 or FY 2020 that need to be reflected in the FY 2021 project application

e-snaps will automatically be set to "Make Changes" and all questions on each screen must be updated.

Renewal projects that brought forward data from FY 2019 and have either a Leasing budget, Operating budget or use HUD PAID RENTS (Actual Rents) instead of FMR MAY NOT use the "Submit Without Changes" process and e-snaps will automatically be set to "Make Changes". All Leasing and Operating budgets, along with Rental Assistance budgets that use HUD PAID Rent will need to be updated in the application. Refer to the GIW posted on the HUD Exchange for accurate budget information on leasing and operating budgets and refer to the HUD PAID RENT document sent by your field office from HUD HQ to accurately set your rental assistance budgets that use HUD PAID rents. This will only impact the FY 2021 competition.

The e-snaps screens that remain "open" for required annual updates and do not affect applicants' ability to select "Submit without Changes" are:

- Recipient Performance Screen
- Consolidation and Expansion

Renewal Grant Consolidation or Renewal Grant Expansion

The FY2021 CoC Competition will continue offering opportunities to expand or consolidate CoC projects. A few changes have occurred that differentiate the process from FY 2019.

1. Expansions and Consolidations will submit individual applications.
 - a. Expansions will ONLY submit a Stand-Alone Renewal application and a Stand-Alone New application.
 - b. Consolidations will ONLY submit individual renewal project applications, identifying the renewal application that will survive, and the renewal applications that will terminate. Up to 10 grants may be included in a consolidation.
2. HUD HQ will combine the data (e.g., units, budgets) for Expansion or Consolidation requests from the individual project applications selected for conditional award and provide a data report with further instructions for the field office and conditional recipient.

The grant provides 33 scattered site units of Permanent Supportive Housing for chronically homeless individuals where the applicant has a disabling condition of serious mental illness and/or substance use disorder. Applicants are selected through the Indianapolis Coordinated Entry System. 3C. Dedicated Plus

Dedicated and DedicatedPLUS

A “100% Dedicated” project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.

A “DedicatedPLUS” project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
- (5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.

**1. Is this project “100% Dedicated,” DedicatedPLUS
“DedicatedPLUS,” or “N/A”?**

(Only select “N/A” if this project was originally awarded as a grant that did not have requirements to only serve persons experiencing chronic homelessness and meets the definition of “non-dedicated permanent supportive housing beds” in the NOFO Section III.C.2.p).

Dear Sir or Madam:

This is in response to your request of June 15, 2004, regarding your organization's federal tax status.

Our records indicate that your organization may be a governmental instrumentality or a political subdivision of a state.

No provision of the Internal Revenue Code imposes a tax on the income of governmental units (such as states and their political subdivisions). Therefore, it has been the position of the Service that income of governmental units is not generally subject to federal income taxation. If, however, an entity is not itself a governmental unit (or an "integral part" thereof), its income will be subject to tax unless an exclusion or exemption applies.

One exclusion is provided by section 115(1) of the Code, which excludes from gross income:

"...Income derived from ... the exercise of any essential governmental function and accruing to a State or any political subdivision thereof ..."

Your organization's income may not be subject to tax, either because the organization is a governmental unit (or an "integral part" thereof), or because the income is excluded under section 115. In addition, your organization may also be eligible to receive charitable contributions, which are deductible for federal income, estate, and gift tax purposes. Also, your organization is probably exempt from many federal excise taxes.

Your organization may obtain a letter ruling on its status under section 115 by following the procedures specified in Rev. Proc. 2002-1 or its successor.

Your organization may also qualify for exemption from federal income tax as an organization described in section 501(c)(3) of the Code. If the organization is an entity separate from the state, county, or municipal government, and if it does not have powers or purposes inconsistent with exemption (such as the power to tax or to exercise enforcement of regulatory powers), your organization would qualify under section 501(c)(3). To apply for exemption, complete Form 1023 and pay the required user fee.

Health & Hospital Corp. of Marion County

Sometimes governmental units are asked to provide proof of their status as part of a grant application. If your organization is applying for a grant from a private foundation, the foundation may be requesting certain information from your organization because of the restrictions imposed by the Code on such foundations. One such restriction imposes a tax on private foundations that make any "taxable expenditures." Under section 4945(d) and (h) of the Code, "taxable expenditures" include (1) any grant to an organization (unless excepted), unless the foundation exercises "expenditure responsibility" with respect to the grant; and (2) any expenditure for non-charitable purposes. Under section 4942 of the Code, private foundations must also distribute certain amounts for charitable purposes each year--"qualifying distributions"--or incur a tax on the undistributed amount. "Qualifying distributions" include certain amounts paid to accomplish charitable purposes.

Private foundation grants to governmental units for public or charitable purposes are not taxable expenditures under these provisions, regardless of whether the foundation exercises "expenditure responsibility." Under section 53.4945-5(a)(4)(ii) of the Foundation and Similar Excise Tax Regulations, expenditure responsibility is not required for grants for charitable purposes to governmental units (as defined in section 170(c)(1) of the code). Similarly, grants to governmental units for public purposes are "qualifying distributions", under section 53.4942(a)-3(a) of the regulations; and, if they are for charitable purposes, will not be taxable expenditures, under section 53.4945-6(a) of the regulations. Most grants to governmental units will qualify as being for charitable (as well as public) purposes.

Because of these restrictions, some private foundations require grant applicants to submit a letter from the Service determining them to be exempt under section 501(c)(3) and classified as a non-private foundation. Such a letter, or an underlying requirement that a grantee be a public charity, is not legally required to be relieved from the restrictions described above, when the prospective grantee is a governmental unit and the grant is for qualifying (public or charitable) purposes.

We believe this general information will be of assistance to your organization. This letter, however, is not a ruling and may not be relied on as such. If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

Janna K. Skufca, Director, TE/GE

Hello Natalie,

Thank you for your question. We verified that this project was amended to reflect the following budget line items. You may submit your application for 32 units and use the following amounts that are in the amended budget: Rental assistance = \$301,578 (for 32 units), Supportive Services = \$6,000 and Administration = \$9,265. Your project total is \$316,843. Your renewal project will be processed using these numbers.

Thank you,
CoC NOFO Team

Good Morning,

The City of Indianapolis was working on projects in esnaps for the NOFO when we came across an error in one of our renewal projects.

According to the updated GIW, the rental assistance budget for 2020 Midtown Wellness (IN0200L5H032004) is \$301,578.31. This was updated to reflect a budget line item amendment. The rental assistance change form that the City of Indianapolis submitted reflected the \$301,578 in rental assistance and an increase in one-bedroom units to 32 units. I have attached the original GIW and our corrections sheet for reference. However, we are running into an issue when submitting the renewal:

- The rent assistance change form submitted for the 2021 GIW change form lists 32 one bedroom units at FMR of \$781 for a total budget of \$299,904.
- When we enter the rent assistance in esnaps, we can enter a 31 one bedroom units at FMR to for a total of \$209,532 or 32 one bedroom units for \$299,904. However, there isn't a way to match the GIW rent assistance budget of \$301,578.

In order to continue, we need to know how to enter in the number of units in esnaps so that our total units and budget are matching the GIW.

Thank you very much!

Best,
Natalie

Good Morning,

Yes, it will be okay to enter 32 units as recorded on the updated GIW. Since this project is using FMR for rental assistance, and not actual rent, the project will be awarded based on the FMRs in Section III.J of the FY 2021 CoC Program Competition NOFO.

Sincerely,
SNAPS

Hello,

Thank you for your response! The issue is that even when changed to 32 units at 1 bedroom FMR in Marion County, IN (\$299,904), we will still not meet the \$301,578.00 as stated in the GIW .

Will it be okay if we put in 32 units but our rental assistance budget line item (BLI) does not match the GIW? Or is there a way to enter the renewal project where the units and the rental assistance BLI match the GIW?

Thank you so much!

Best,

Natalie
